*Circle Infiniti announces Infiniti lease deals on their entire inventory of 2008 cars. Infiniti car lease programs are starting as low as \$349 a month with \$995 down.*

Circle Infiniti is offering lease incentives that are warming up the showroom just in time for the spring driving season. With a warmer than normal April, New Jersey car shoppers have been out in full force looking for car deals. Infiniti cars are currently priced with low down payments to enable consumers to trade up to a new car in these challenging economic times.

Monmouth County Infiniti owners have known for many years that Circle Infiniti is Central Jersey's destination for award winning Infiniti customer service. General Manager David DeFilippo adds "We have customers that drive from all parts of New Jersey and even New York and Pennsylvania for our large inventory of Infiniti cars and SUV. We are also known for our large inventory of used Infiniti cars; one of the largest in New Jersey. Price, selection and great service is why New Jersey Infiniti shoppers call us first."

During the month of April, Circle Infiniti is offering many 2008 Infiniti car models with down payments as low as \$995. These low down payments coupled with monthly lease prices starting at \$349 per month are attracting car buyers to look at the award winning Infiniti lineup for 2008.

Recently, the 2008 Infiniti EX35 was given top scores in its class by the Insurance Institute for Highway Safety (IIHS) naming the EX35 its "Top Pick". The 2008 Infiniti G35 was awarded the title of "Best Upscale Sedan" by Consumer Reports magazine. The 2008 Infiniti M35x was rated the #2 car in America by Consumer Reports Testing labs for overall performance, quality and customer scores. And the 2008 Infiniti G37 Coupe was rated by Kelly Blue Book as having the best resale value of any Coupe in America.

"With awards like these, you can understand why Infiniti cars are the consumer choice for quality, safety and value in New Jersey," commented DeFilippo. "We encourage all New Jersey area car shoppers to stop in and see our great selections of cars that are ready to roll."
